Susan Branch Books. y Heart of the Home books are  
dedicated to the things that connect women, past,  
present, and future; courage, energy, nurturing spirit,  
creativity, humor, and heart. We don ' t have as much  
time for the art (which is what it really is about) of  
homemaking these busy days, but we still love our  
homes, love a cozy nurturing environment- our  
devotion to home and family is second nature for most  
of us.
