33 Strategies Of War You Should Apply To Everyday Life ...

In 33 Strategies of War, Robert Greene turns military combat into an appropriate metaphor for life in the so-called civilized world. The author introduces the book with a warning to not be deceived by the political correctness and democratic values that the modern world promotes, because beneath the splendor of the king's court is nothing more than human nature broiling in its most aggressive essence, and rather vented through covert, subtle, and socially accepted ways.
