The Last 6 Mopar Flat Head Parts

Engines The last use of the flat-head engines at Chrysler was in 1954 with the 264.5 cid six; at DeSoto, with the 1954 250.6 cid six.

Plymouth and Dodge cars soldiered on

Download Free Flat Head

until 1959 with the same 230 cid versions. Most Dodge trucks dropped the flathead six after 1960, when it displaced 230 cubic inches.
