*[Infographic]*

Hand numbness is usually caused by damage, irritation or compression of one of the nerves or a branch of one of the nerves in your arm and wrist.

Diseases affecting the peripheral nerves, such as diabetes, also can

Acces PDF  
Hand Hand  
cause numbness,  
although with diabetes  
similar symptoms  
usually occur first in  
your feet.

*Numbness in hands*  
*Causes - Mayo Clinic*  
According to national  
data, the average jury  
verdict in finger and  
hand injuries is  
approximately  
\$630,000. The median,

Acces PDF

Hand Hand

or middle of the road, verdict is approximately \$70,000. This tells us that there are some severe, life-altering hand injury cases that have extremely high values and also many smaller cases that are not as debilitating.
