Southern Indian food is not what you usual find in an Indian restaurant; typically it's Northern style food, although that is changing rapidly in the US. Instead of drier curries, you might get a cup of a steamed rice and lentil cake drenched in a spicy-hot soupy lentil curry (Idli Sambhar.) Or a donut-like lentil cake called vada.

Healthy South Indian Cooking answered many of my concerns. The authors put you at ease by reminding you that this is cooking, so making a few substitutions are okay and the finished dish will still be good. The spices are manageable even for an amateur like me. Most are familiar and relatively easily obtained at local stores or online.
