What does a Teach First academic mentor do? Academic mentors are hired to support very specific issues within schools. Exactly what your role entails depends on both the needs of your school and your individual skillset. However, most can expect to do the following type of work once in the classroom: Subject-specific work with small groups.

~~Academic Mentors | Teach First~~

Abstract. Background: Mentoring is considered a fundamental component of career success and satisfaction in academic medicine. However, there is no national standard for faculty mentoring in academic emergency medicine (EM) and a paucity of literature on the subject.
