The editors argue that music lies at the foundation of conceptions of race. Their contributions to this book make a case for that view, but the contention is sometimes more asserted than proven, and there are some crude generalizations that blunt the argument (e.g. "the European racial imagination", p. 27, as if there could be but one European way of thinking about race).

## Music and the Racial Imagination by Radano, Ronald M ...

Just around Midnight reveals the interplay of popular music and racial thought that was responsible for this shift within the music industry and in the minds of fans. Rooted in rhythm-and-blues pioneered by black musicians, 1950s rock and roll was racially inclusive and attracted listeners and performers across the colour line.
