One up on Wall Street provides a great overall foundation for investing and how people can utilize companies they know/understand and products they use and enjoy to make successful investments before the stock catches the attention of the large institutional investors. Lynch stated you only have to be right six out of ten times to be successful in the stock market, and a ...

One Up On Wall Street: How To Use What You Already Know To ...

It's been a remarkable stretch since One Up on Wall Street hit the bookstores in 1989. I left Magellan in May, 1990, and pundits said it was a brilliant move. They congratulated me for getting out at the right time -- just before the collapse of the great bull market. For the moment, the pessimists looked smart. The country's major banks flirted with insolvency, and a few went belly up. By ...
