Racial and Ethnic Groups helps students understand the changing dynamics of the U.S. population. By using a socio-historical perspective, the author frames issues by examining our history, exploring the current situation, and discussing the concerns for the future. Racial and ethnic relations in the United States are at a dynamic and exciting time.

Racial and Ethnic Groups (14th Edition): Schaefer, Richard ...  
Race and ethnicity in the United States is a complex topic because the United States of America has a racially and ethnically diverse population. At the federal level, race and ethnicity have been categorized separately. The most recent United States Census officially recognized five racial categories (White American, Black or African American, Native American, Alaska Native, Asian American ...

Pearson - Racial and Ethnic Groups, Census Update, 12/E ...  
Racial and ethnic groups are discursive formations, calling into being a language through which differences are accorded social significance, and by which they may be named and explained. What is of importance for social researchers studying race and ethnicity is that such ideas also carry with them material consequences for those who are embraced by them and those who are excluded from them.
