With 29-inch wheels, carbon fibre frame, and Brain inertia valve damping technology in both the Fox/Specialized shock and custom RockShox SID fork, the Epic Expert Carbon WC has the speed to tame any cross-country terrain.

Epic Expert Carbon World Cup | Specialized.com

Lightweight carbon frame? Check. Industry-leading suspension technology? Oh yeah. Race-ready build kit? You know it. The Epic Expert is not only ready to shine in races, but it's also ready to put your closest buddies in the pain cave on the weekends. FAST STARTS HERE With more World Championship titles and Olympic medals than anyone can count, the Epic is truly the fastest cross-country bike ...

Epic Expert Carbon | Specialized.com

Make no qualms about it—this World Cup version of the Epic FSR Expert Carbon is purpose-built for racing. Compared to the "standard" version of this Epic, the World Cup features shorter tube lengths and chainstays and a significantly tighter geometry. Why? For more explosive power transfer and nimbler handling, of course.

Epic FSR Expert Carbon World Cup | Specialized.com

That Specialized built the Epic Expert Carbon World Cup around a lightweight carbon fiber main triangle, carbon chainstays, and aluminum seat stays isn't much of a surprise (although the positively...

Specialized Epic Expert Carbon World Cup - BikeRadar

The Epic range is Specialized's 29" full suspension, cross country Mountain Bike range designed for anything from cross country trails to top level competition use. Available with an aluminium (Comp 29) or carbon fibre (Comp Carbon 29, Expert Carbon 29 & Epic Carbon 29 XTR) frame the Epic range offers a lightweight setup designed for all out speed and racing that's also at home on singletrack.

Specialized Epic Expert World Cup 2015 review - The Bike List

The S-Works Epic FACT 12m carbon chassis shaves over 100 grams from its predecessor, employs a carbon link, and boasts a 15% increase in rear triangle stiffness. The FACT 11m frame found on the rest of the Epic range now matches the stiffness and weight of the previous S-Works chassis. Speed Frame.

Epic | Specialized.com

Say hello to the Epic Hardtail Expert Carbon World Cup. It's one of the lightest frames we've ever made, tipping the scales around 1175g. And to do so, we built the entire frame from our superlative carbon fiber, FACT 10m, and then we took some cues from our road bikes. We borrowed the Rider-First Engineered™ concept that originated with the Tarmac.

Epic Hardtail Expert Carbon World Cup | Specialized.com

With 29-inch wheels, carbon fiber frame, and Brain inertia valve damping technology in both the Fox/Specialized shock and custom RockShox SID fork, the Epic Expert Carbon 29 has the speed to tame any cross-country terrain.
