Editorial Reviews "I enjoyed
reading Testing computer
software. The text contains
numerous highlights Offering
practical advice, authoritative
figures you can cite to customers

Testing Computer Software, 2nd Edition
The content of the book is just what I was looking for. I have 30 years in software development (SW Engineer), have done all phases of the s/w life cycle, and recently am having to step up verification (testing) efforts at the mid-size company where I work, which is too small to have a formal verification team.
