Dreaming is the human connection to the universe. Whilst a dream's content may be in response to external factors, it's influenced by none, and therefore is THE true reality. "The dream shows the inner truth and reality of the patient as it really is: not as I conjecture it to be, and not as he would like it to be, but as it is." ~ Carl Jung Nobody knows for certain why we dream.

In Freud's understanding, as any other object made of paper, a book represents a woman. Therefore if you read books in a dream, you have a subconscious attraction to numerous sexual relations. Flipping through the pages of a book signifies your casual attitude toward sexual partners, and it indicates mostly platonic attraction.
