Revolution The Yarur

Not here: Weavers of Revolution focuses on the experiences of textile workers in the first factory to be directly taken over by its workers during the Allende administration. What was happening in the ministries and the presidential palace is not left out, but rather deftly woven into the story of the textile workers, putting together a well written account of history from above and from below.

Weavers of Revolution. The Yarur Workers and Chile's Road to Socialism. Peter Winn. Description. In this compelling narrative history, Peter Winn tells the story of the Chilean revolution as it was seen through the eyes of the participants. Winn focuses on workers at the Yarur plant, Chile's largest cotton mill, who seized control of their factory and began to socialize its operations.

**Book Overview.** In this compelling narrative history, Peter Winn tells the story of the Chilean revolution as it was seen through the eyes of the participants. Winn focuses on workers at the Yarur plant, Chile's largest cotton mill, who seized control of their factory and began to socialize its operations. Allende's plans were less radical than their own and the workers found themselves on a collision course with the government.

Socialism

In Peter Winn's book, *Weavers of revolution*, the revolution from below collided with the revolution from above, producing unexpected yet catastrophic effect in Chile. Generally speaking, a revolution is a complete transformation of an established government or a political system and a radical change in people's views and behaviors.
